WORSHIP MINISTRIES

.. Mission & Vision ..

The Mission:

LIVE LOVE LOUDER.

Our mission is to lead Christians to live love louder.

Jesus said, "Love the Lord your God with all your heart, soul and mind. This is the first and greatest commandment. And the second is like it. Love your neighbor as much as you love yourself. On these two commandments hang all the Law and the prophets."

(Matthew 22:37-39)

Jamie & Jessica Kirby

Co-founders Oceans Deep Worship Ministries

Our Name

Our name is the heart of our ministry. It represents our deep desire for every person to know the magnificent, transforming and forgiving love of Almighty God revealed to us through the life, death and resurrection of Jesus Christ His Son.

"That you may know what is the width and length and depth and height, to know the love of Christ which passes all knowledge, that you may be filled with all the fullness of God."

(Ephesians 3:18-19)

Our Vision

Our vision is ministry relationship with local churches and ministries. We see our worship, songs, testimony and training opening the door to partnership with local churches. We see that partnership equipping staffs, leaders and individuals with high impact relational, leadership and discipleship skills.

We see that partnership creating exponential growth because disciples are making disciples. We see that partnership building bridges beyond the box.

Our Prayer

May the Lord bless you and keep you and may His Holy Spirit ignite your heart in passionate pursuit of relationship with Him and the people in your world.

⌘ Testimony ⌘

Jessica ⌘ Testimony

- I was raised in the United Methodist church. I learned about Jesus and familiar Bible stories growing up, but didn't develop a relationship with Him.
- In college some Christian friends challenged me to know and walk with Jesus. I truly began seeking Jesus. That's also when I met Jamie.
- Today I know Christ intimately. He has *always* proven His faithfulness in the trials and testing.
- My life mission is to love God with everything. I want to be a woman of God who hears and speaks His Word daily.

They are
{ givers, }
not
takers

- Mark & Grace Truebenbach
Directors, Potter's Ranch
Conference Center

Jamie ⌘ Testimony

- My story is one of God's powerful love healing unbearable grief and sadness.
- I grew up the oldest of four children. My Dad was a pilot in the Air Force and was a faithful provider for his family. Yet he was emotionally distant to me. He died the day after Father's Day in my 12th year. I had no other male role model in my life until my late teens.
- When I was 18, my Mom joined a cult and abandoned me. She has missed my entire adult life (wedding, two degrees, two births). She has not yet even met my two girls (6 & 3).
- Enough with the bad news. The good news is that I met Jesus – The Healer – two years before my Mom joined the cult. He was with me through it all!
- God has transformed all the pain of my past into precious points of connection to hurting people. In a time when relational brokenness knows no bounds, God is using my story to introduce many to the Healer and Restorer!
- My life mission is to lead people in the adventure of discovering the transforming and powerful love of Jesus.

WORSHIP MINISTRIES

⌘ What We Do ⌘

Primary Purpose

The primary purpose of our ministry is to connect with, equip and mobilize believers to accomplish the Great Commission (Matt 28:19-10). For us, this occurs through new and ongoing relationships with churches and ministries.

Our hope is that you will find one of the following areas beneficial with your ministry. We look forward to a God-exalting, people equipping relationship with you and your people!

Guest Worship Leading

Our key objective when we lead worship is to facilitate a connection with God and His people. Our conviction is that this always occurs best in the worship "vernacular" of the local congregation.

Because of our diverse musical and liturgical experience we are able to effectively lead almost any style of worship music, while honoring the liturgy. We are familiar with everything from high church classical/traditional worship (mega-liturgy) to rockin' pentecostal & charismatic worship (little or no liturgy).

Worship Concert

Our key objective in worship concerts is to provide a worship environment of serious fun, community and ministry. A typical worship concert consists of worship, powerful special music, fabulous fun, moving ministry and an opportunity for response. Our great desire is for people to leave one of our events telling about what God did – not what we did.

Sound Seminar

A key area of concern for most churches is the sound ministry. Without

great sound, you might have the best music team in the world, but no one will every know it. Our sound seminar is designed to demystify the process of training and equipping sound people unto excellence. A hands-on mixing master class (with Cubase) and class manual are included.

Worship Seminar

Our Worship Seminar is designed to impart fundamental spiritual and functional training for worship teams. In addition, it provides tools for evaluating presentation, countenance and effectiveness in worship leading. A worship master class and class manual are included.

Consulting

Worship Team consulting is provided on a first come-first serve basis and is fee based.

Finances & Fees

All the above (except consulting) are offering based. Rather than burdening budgets, we choose to allow God to move on individual hearts for our provision.

WORSHIP MINISTRIES

⋮ Statement of Faith ⋮

We (Oceans Deep Worship Ministries) believe:

- In one God, eternally existent in three persons ⋮ Father, Son, and Holy Spirit. (*Gen 1:26; John 10:30; Eph 4:4-6*)
- That Jesus Christ was conceived by the Holy Spirit, born of the Virgin Mary. He led a sinless life, freely took upon Himself all our sins, paid the full penalty for our sins, died and rose again, and is seated at the right hand of the Father as our mediator and advocate. (*Is 7:14, 53:12; Matt 1:20b; Mark 16:6-9; Rom 5:12, 8:34; Heb 4:15*)
- That all persons everywhere are lost and face the judgment of God unless they come to a saving knowledge that Jesus Christ is the only Way, Truth and Life; that His shed blood on the cross is the sole propitiation for their sins and that He must be served as both savior and Lord. (*Ps 53:3; Matt 26:28; John 5:22-27, 14:6; Col 3:23-24*)
- That Jesus Christ is coming again in power and great glory. (*Rev 22:20*)
- That the Holy Spirit is God's present Power, available to every believer in Jesus Christ through faith, for the working out of the Great Commission, the Great Commandment, the Gifts and the Fruit of the Spirit until the time that Jesus comes again on this earth. (*Acts 1:8; Rom 12:6-8; 1 Cor 12; Gal 5:22-25*)
- That the Bible is the holy, inspired and transforming Word of God. (*Ps 119:160; John 1:1*)
- In the necessity of spiritual formation through a lifestyle of living the Great Commandment. (*Matt 22:36-40; Rom 12:1-2; Eph 5:18-21; Col 3:16-17*)
- In the deliberate, daily commitment of servant leadership. We make our commitment tangible by cheerfully submitting to Christ's Lordship, excelling in excellence, and by graciously washing the feet of all He sends us out to reach. (*Matt 25:40; Eph 4:1; 2 Cor 9:7*)
- In using every gift, talent, skill, resource, relationship and opportunity to impact the world with the Gospel of Jesus Christ and equip the church with the principles of continuing spiritual formation. (*Matt 28:19-20; Eph 4:11-12*)

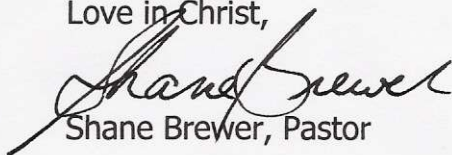

MBC Church on the Way

December 20, 2004

My relationship with Oceans Deep Worship Ministries has been an extraordinary blessing to me and the congregation of Mentor Baptist Church. Oceans Deep provided a significant service as they worked with us on some of the physical issues with which we had been wrestling since moving into a new facility: making efficient use of our sound board, eliminating feedback, selecting microphones to produce the best sound quality and many others. What was even more valuable to me as the pastor; however, was the spiritual lift they brought to our church and more specifically, those involved in setting the tone for our worship services: the choir, the praise & worship team and myself. They have an unmistakable passion for worship and serve God in life as they serve His church in song. I am confident that if you develop the kind of relationship that I have with Oceans Deep, they will do the same for you.

"Making Disciples of Jesus Christ"

February 4, 2004

To Whom It May Concern:

I am writing to commend to you the music ministry of Jamie and Jessica Kirby. While on our staff, Jamie did an outstanding job providing leadership to our music and worship team. He and Jessica were an integral part of that team together and our congregation responded very well to every aspect of their ministry. They are very talented individually and even more exceptional working together lifting their voices and instruments in song to the Lord. I am amazed at their creativity in writing and composing as well as their wonderful singing abilities. They strive for excellence in everything they do and it shows. Even more impressive has always been their heart for God and His people. These two have truly dedicated themselves to serving Christ in whatever form or fashion He sees fit. I commend them for their passion. I commend them to you as a tremendous blessing in word, deed, spirit and song.

Sincerely,

*Bob Feist
Pastor*

To Whom It May Concern:

I enthusiastically recommend the ministry of Oceans Deep and Jamie and Jessica Kirby. Earlier this year, Oceans Deep led the musical portion of our Sunday morning worship and God blessed mightily. This was followed by a Sunday evening concert that turned into a great worship experience as Jamie and Jessica led us into the presence of God! God has blessed the ministry of Jamie and Jessica Kirby and will bless the lives of those He places in their paths for ministry!

To Whom It May Concern:

I am happy to commend to you the ministry of Jamie & Jessica Kirby! They have been and continue to be a vital part of our ministry. While there are many things about Jamie & Jessica and their ministry that are worth noting, the thing that impresses me the most is the continual servant's heart that they exhibit in everything they do.

They are gifted musicians, songwriters, and psalmists who understand full well that the anointing of the Holy Spirit is paramount to experiencing life-giving ministry. Jamie & Jessica are authentic, real, and mature in the things of God. Their gifted ministry would be a blessing to all who would welcome them.

Blessings,

To Whom It May Concern:

I am writing this letter in support of Jamie Kirby and Oceans Deep Ministries. I had a very positive experience in working with Jamie in preparation for a city-wide crusade featuring nationally known evangelist, Dave Roever. Jamie was asked to put together a praise band and choir for the event that would lead the time of praise and worship at the crusade.

Jamie exhibited great poise in handling every extra task that occurred along with the main focus of leading the band and praise team. He maintained a very professional attitude through it all; but, more importantly, he showed that he is a man who is spirit-filled and has a great passion for his Lord and Savior. God has gifted Jamie with great skills as a musician and, although I have only known Jamie for a short time, I can see that he gives 100% to every project.

Another aspect of Jamie's talents that I appreciate is his ability to work in a variety of spiritual environments. In leading a band and choir from many different denominations and traditions, Jamie was able to bring it all together in a way that did not slight anyone's background and still give God the glory in a true ecumenical sense.

I highly recommend Oceans Deep Ministries based on what I know of Jamie's talent, passion and heart. Jamie, together with his wife Jessica, form a highly-talented duo that loved the Lord and have a strong desire to minister with their God-given gifts and abilities in whatever platform God leads them.
